

**Section 1: Identification**

**Finished Product Name:** Green Tea Butter Cream  
**Product Reference #:** 15373-1  
**Product Type:** Finished Product  
**Product Category:** Personal Care Beauty product  
**Consumer Intended Use:** Topical unbroken skin  
**Effective Date:** 6-8-2015

**Company Identification:** Keyano Aromatics Inc.  
**Contact Information:**  
100 Ford St.  
Ballston Spa NY 12020  
518 899-5310  
**In case of Medical Emergencies, please contact your local poison Control Center.**

**HMIS Rating:**      **Health 0**      **Flammability 0**      **Physical Hazard 0**

**Section 2: Hazard(s) Identification**

**Emergency Overview:**

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use

**Hazard Classification:** Not Classified      **Signal Word(s):** N/A      **Hazard Symbol(s):** N/A

**Hazards Statement:** There are no additional ingredients present, which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment

**Precautionary Statements:**

**For External Use Only**

**Avoid Eye Contact:** Contact may cause irritation. Some redness and/or stinging may occur. If contact occurs flush thoroughly with water

**Keep out of reach of children**

**Section 3: Composition/Information on Ingredients**

**Product Ingredient List:**

Water, Butyrospermum Parkii (Shea Butter), Emulsifying Wax NF, Stearic Acid, Glycerin, Vitis Vinifera (Grape) Seed Oil, Carthamus Tinctorius (Safflower) Seed Oil, Dimethicone, Sodium Benzoate, Sodium Dehydroacetate, Lavandula Angustifolia (Lavender)Oil, Disodium EDTA, Macadamia Ternifolia Seed Oil, Persea Gratissima (Avocado) Oil  
Tocopherol, Tocopheryl Acetate, Hydrolyzed Milk Protein, Silk Amino Acids, Aloe Barbadensis Leaf Juice, Zea Mays (Corn) Oil, Cholecalciferol Retinyl Palmitate, Citrus Grandis (Grapefruit) Seed Extract  
Ascorbic Acid.

This product does not contain ingredients considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200)

#### Section 4: First Aid Measures

**Eye Contact:** Thoroughly rinse affected eye(s) with water for 15-20 minutes. If wearing contacts remove before rinsing eye(s) if discomfort or irritation persists, seek medical attention.

**Skin Problem:** Discontinue use of product. Apply cold compresses to affected area(s) to relieve discomfort.

If discomfort or irritation persists, seek medical attention.

**Inhalation:** Not an expected route of exposure. If respiratory irritation does occur, remove individual to fresh air. Discontinue use.

**Ingestion:** Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion, dilute with fluids (water or milk) and treat symptomatically. After First Aid Treatment, a hospital emergency or family physician should be consulted if anything unusual occurs or appears necessary.

Most important symptoms/effects acute and delayed: None known

**Medical Conditions Generally Aggravated by Exposure:** Open cuts or wounds, use on mucus membranes, and highly sensitive skin.

#### Section 5: Fire Fighting Measures

**Flash Point:** Not applicable

**Extinguishing Media:** Water in a fine spray, Alcohol resistant foam, CO2, Dry Chemical

**Special protective equipment and precautions for firefighters:** None known

**Fire and Explosion Hazards:** No applicable hazards known

#### Section 6: Accidental Release Measures

**Personal precautions:** None under normal use conditions

**Protective equipment:** None required

**Emergency Procedures:** None required

**Procedure if Product is leaked or spilled:**

**Small spills:** Clean up with damp cloth then rinse area with water.

**Large spills:** Cover with absorbent material, soak up and sweep into drum

Dispose of in accordance with local, state or regional regulations

**Environmental precautions:** Prevent further spilling or leakage. Prohibit large spills from entering drains and being released into the environment

#### Section 7: Handling and Storage

**Precautions for safe handling:**

Utilize standard safe handling and transportation techniques to avoid spillage or rupture of the product containers. Avoid eye contact

**Precautions for safe storage:**

Product is stable and does not require special storage conditions. Storage in large quantities (as in warehouses) should be stored in amicable conditions avoiding extreme heat/cold/direct sunlight which could alter the cosmetic appeal of product. No incompatible materials known.

#### Section 8: Exposure Controls/Personal Protection

**Engineering Controls:** This is a consumer product that is safe for consumers under normal and reasonably foreseeable use

**Exposure Guidelines:** Exposure guidelines are not relevant when product is used as intended in a household setting

## SAFETY DATA SHEET Finished Good

**Respiratory Protection:** No special protective equipment required

**Ventilation:** no special ventilation required

**Protective Gloves:** No special protective equipment required

**Eye Protection:** Not required in a household setting. In an industrial setting if there is a large quantity spill use safety glass/goggles if splash hazard exists

**Protective Clothing or Equipment:** No special protective clothing or equipment required

**Work hygienic Practices:** Always follow good hygienic work practices

### Section 9: Physical/Chemical Characteristics

**Appearance:** Thick White Cream

**Physical State:** Solid

**Odor:** Characteristic

**PH:** 5.62

**Specific Gravity:** g/ml

**Boiling Point:** No information available

**Solubility in Water:** Soluble

**Melting Point:** No information available

**Flash Point:** No information available

**VOC Content:** None

**Vapor Density:** No information available

### Section 10: Stability and Reactivity

**Chemical Stability:** Stable under normal storage, handling, use and transportation

**Incompatibility (Materials to Avoid):** None known

**Hazardous Decomposition or Byproducts:** None known

**Conditions to Avoid:** Extreme temperature conditions

**Possibility of hazardous reactions:** None under normal use conditions

### Section 11: Toxicological Information

**Acute Toxicity:** Product does not present an acute toxicity hazard

**Acute Inhalation:** No known effect

**Acute Skin:** No known effect

**Acute Ingestion:** Oral toxicity is not anticipated, but may cause stomach distress, nausea or vomiting

**Acute Eye:** Contact may cause mild, transient irritation

**Chronic Toxicity:** Product is not expected to have chronic Health effects

**Corrosivity:** No known effect

**Sensitization:** No known effect

**Reproductive Toxicity:** No known effect

**Neurological Toxicity:** No known effect

**Carcinogenicity:** Finished product does not contain ingredients above reportable quantities listed as a carcinogen

**No known health hazards; immediate and delayed**

### Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices.

<b>Section 13: Disposal Considerations</b>
--

**Waste Disposal Method:**

**Small quantities/Household:** Treat as general household waste.

**Large quantities/Non-Household:** Should not be released into the environment. Dispose of in accordance with local, state and Federal regulations.

<b>Section 14: Transport Information</b>
--

**Finished packaged product transported as Non-hazardous. Special precautions and handling are not required**

**DOT:** Not regulated

**IATA:** Not regulated

**IMDG:** Not regulated

<b>Section 15: Regulatory Information</b>
---

While this finished product is not considered hazardous, this SDS contains valuable information for safe handling and proper use of this product.

Fragrances contained within the products covered by this SDS comply with the appropriate IFRA guidance.

CA Prop 65: This product is not subject to warning labeling under California Proposition 65

<b>Section 16: Other Information</b>
--------------------------------------

This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material and is accurate to the best of the company's knowledge

This SDS is written for handling large quantities of product and some sections may not apply to consumers with normal use of the product.

**Change History**

Version No.	Date	Revision(s)
001	2-7-2014	Initial draft
002	6-8-2015	Revised to be compliant with new GHS SDS requirements
