

EarthLite[®]
WORLD'S #1 BRAND IN MASSAGE™

TRAVELER TABLE CART

Telescopic handle that leverages the weight on the wheels and not in the therapist hands

Strong wide strap that securely holds table

Comes fully assembled with a brawny and light construction

Bigger steadier wheels to facilitate transportation

Sturdy steel frame with anti-corrosion finish

Earthlite[®] has redesigned its table cart to be easy to transport over rough surfaces. It has large wheels with slick precision steel bearings to provide a steadier ride and easier stair climbs, while the steel frame provide a generous, protective transport platform for your table. Powder coated steel for anti-corrosion finish and easy cleaning.

Conveniently folds for easy storage
